Board & Train

Take the guess work out of training. Leave your dog with us and we can achieve the same level of training in just two weeks that an owner can in a six week class. One week of training provides a solid foundation of basic commands. A second week builds the "sit, stay and down stay" commands. At the end of training, the owner returns for a one hour private lesson.

1 week - \$450

2 weeks - \$825

Board & Train includes boarding (in Deluxe accomodation) and training only. Any extra services are in addition to the weekly rate.
